INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Catholic Charities of the Archdiocese of Miami, Inc.
Wilton Manors, Florida

Opinion

We have audited the accompanying financial statements of Catholic Charities of the Archdiocese of Miami, Inc. ("Catholic Charities") (a nonprofit organization), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Catholic Charities as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Catholic Charities and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Catholic Charities' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Catholic Charities' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and Chapter 10.650 Rules of the Auditor General of the State of Florida, the schedules of state earnings, cost center actual expenses and revenues as required by the Florida Department of Children and Families (the “Department”), Guide to Performance Contracting for Alcohol, Drug Abuse and Mental Health Services, and the schedule of United Way Allocations are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 13, 2023, on our consideration of Catholic Charities’ internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Catholic Charities’ internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Catholic Charities’ internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2023 AND 2022

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Operations

Catholic Charities of the Archdiocese of Miami, Inc. (“Catholic Charities”) was organized under the laws of the state of Florida on October 31, 1967, as a nonprofit corporation with the purpose of meeting the ever changing needs of the communities of Broward, Miami-Dade and Monroe counties of Florida. Catholic Charities operates under the sponsorship of the Archbishop of the Archdiocese of Miami (the “Archdiocese”).

Catholic Charities provides the following services in three counties and in 25 separate locations:

Child Development Services – Through six Child Development Centers in Miami-Dade County, Catholic Charities offers safe and nurturing environments where children can thrive academically and socially. The Head Start, Early Head Start and VPK pre-school programs equip the children and their families with high quality educational and social resources so they can achieve their fullest potential.

Community Based Services – Throughout the tri-county area, Catholic Charities provides services such as: alcohol and substance abuse services, counseling and family services, elderly services, homeless prevention and rapid re-housing services, and immigrants and refugee services. Within these groups, various services are offered which include but are not limited to: acculturation, legal, employment, case management, parenting skills and education, medical, mental health, foster care, emergency housing and cash assistance.

Ministries – The Catholic Charities Monroe Ministries assist the five parishes and Deanery to build upon its efforts to uphold human dignity and to reach out in mercy, service and justice to our most vulnerable people. Emphasis is placed on the formation, education and the empowerment of parishes and the community, as we together, develop ministries in response to needs, and social injustice.

As of February 2008, Catholic Charities obtained control of the Catholic Charities Endowment Trust (the “Trust”) through its control of the governing board of the Trust. During the year ended June 30, 2013, the financial statements of Catholic Charities were consolidated with the Trust. At the request of the Corporate Members of Catholic Charities of the Archdiocese of Miami, Inc., the Trust’s endowment investments were liquidated and transferred to the Catholic Community Foundation in the Archdiocese of Miami, Inc. (the “Foundation”) for the benefit of Catholic Charities. For the years ended June 30, 2023 and 2022, these investments are included in these financial statements and they are to be invested and managed by the Foundation in accordance with its investment policies and practices.

Basis of Presentation

Catholic Charities prepares its financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) and with standards established by the Financial Accounting Standards Board (“FASB”) for external financial reporting by not-for-profit organizations. Accordingly, Catholic Charities’ resources are classified and reported based upon the existence or absence of donor-imposed restrictions, as follows:

Net assets without donor restriction – include those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by contract or by board designation. Changes in net assets arising from exchange transactions (except income and gains on assets that are restricted by donors or by law) are included in the net assets without donor restriction class. Net assets without donor restrictions include board designated net assets held in cash of \$1,649,607 and \$1,241,878 as of June 30, 2023 and 2022, respectively, and are to be used to provide counseling services.

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation (Continued)

Net assets with donor restriction – include those net assets whose use by Catholic Charities has been limited by donor imposed stipulations that either expire by the passage of time or can be fulfilled by expending the funds for their restricted purpose. These include donor restrictions requiring the net assets be held in perpetuity or for a specified term with the investment return available for operations. Net assets with donor restrictions totaled \$6,371,763 and \$6,898,204 as of June 30, 2023 and 2022, respectively. See Note 12.

Revenue Recognition

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Appreciation or depreciation in the fair value of investments and gains and losses on other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless otherwise restricted by explicit donor stipulation or by law. Expirations of time or purpose restrictions on net assets are reported as net assets released from restrictions. Grants from government agencies are recognized as revenue when the grant funds have been expended or the service has been provided in accordance with the grant provisions.

Contributions

Contributions, including unconditional promises to give, are recognized as revenues in the period received. Unconditional promises to give are recorded at their net realizable value if they are expected to be collected within one year or at fair value, which is measured using the present value of future cash flows, if they are expected to be collected over periods longer than one year. Catholic Charities has been notified of certain intentions to give under various wills and trusts. Catholic Charities' share of such bequests is recorded when Catholic Charities has an irrevocable right to the bequest and the proceeds are measurable. Contributions of assets other than cash are recorded at their estimated fair value at date of donation. Contributions to be received after one year are discounted using a risk-adjusted rate of return. Amortization of discounts is recorded as additional contribution revenue reflecting donor-imposed restrictions, if any. An allowance for uncollectible contributions receivable is provided based upon management's judgment after considering prior collection history, type of contribution and nature of fundraising activity.

Deferred Revenue

Deferred revenue consists of payments received from grant funding agencies, foundations, or donors in advance of the start of the program or of the specific grant obligations being satisfied. Such amounts are recorded as revenues when the related services are performed, or obligations are satisfied.

Cash and Cash Equivalents

For purposes of the statement of cash flows, Catholic Charities considers all cash in banks and highly liquid investments with original maturities of three months or less to be cash and cash equivalents. Catholic Charities maintains its cash and cash equivalents with high credit quality financial institutions and with the Archdiocese, and at times, balances may exceed federally insured limits. Amounts exceeding federally insured limits at June 30, 2023 and 2022 totaled \$12,602,907 and \$11,988,665, respectively. Catholic Charities has not experienced any losses on such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Restricted Cash

Restricted cash is primarily composed of amounts held with respect to disaster relief programs, the Day 1 Families Fund and other donor restricted purposes. Restricted cash at June 30, 2023 and 2022 was \$300,901 and \$1,134,946, respectively.

Accounts Receivable

Accounts receivable consist primarily of amounts due from governmental entities under Catholic Charities' grant agreements. Accounts receivable are stated at estimated net realizable value. The allowance for doubtful accounts was \$55,655 and \$63,910 for the years ended June 30, 2023 and 2022, respectively.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets with donor restrictions in the reporting period in which the income and gains are recognized and then released if the restrictions are met (either by passage of time or by use).

Property and Equipment

Property, equipment and leasehold improvements purchased for a value greater than \$500, and with depreciable lives greater than one year, are stated at cost net of depreciation. Donations of property, equipment or leasehold improvements are recorded as contributions at their estimated fair value at the date of the donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Absent donor stipulations, Catholic Charities reports the assets as without donor restrictions. Upon disposal of fixed assets, the costs and accumulated depreciation are removed from the accounts, and the resulting gain or loss, if any, is included within non-operating activities in the accompanying statement of activities and changes in net assets.

Depreciation is calculated using the straight-line method over the estimated useful lives of the fixed assets ranging from 3 to 20 years.

Concentrations

Catholic Charities is supported primarily through grants from federal, state and local government funding. Catholic Charities received approximately 79% and 81% of total operating revenues and support from federal, state and local government grants for each of the years ended June 30, 2023 and 2022, respectively.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Expenses Allocation

The costs of providing the various programs and supporting activities have been summarized on a functional basis in the statement of activities. Accordingly, costs have been allocated among the program and supporting services benefited. The expenses that are allocated are personnel expenses, which are allocated on the basis of estimates of time and effort; facilities and interest expenses and depreciation, which are allocated on a weighted-average square footage basis; and supplies and contracted services, which are allocated based on actual expenses incurred for each function.

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Tax Status

Catholic Charities is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to Catholic Charities’ tax-exempt purpose can be subject to taxation as unrelated business income. In addition, Catholic Charities qualified for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation member under Section 509(a)(1). As of June 30, 2023, the tax years that remain subject to examination by taxing authorities are for the years 2019 through 2022.

Subsequent Events

Catholic Charities has evaluated subsequent events through October 13, 2023, which is the date the financial statements were available to be issued.

NOTE 2 – ACCOUNTS RECEIVABLE

Accounts receivable consist of the following at June 30, 2023 and 2022, respectively:

	2023	2022
Governmental and other entities	\$ 4,385,767	\$ 4,781,028
Other receivables	325,340	62,311
Less allowance for uncollectible accounts	(55,655)	(63,910)
Total	<u>\$ 4,655,452</u>	<u>\$ 4,779,429</u>

NOTE 3 – FAIR VALUE MEASUREMENTS

Catholic Charities reports its fair value measures using a fair value hierarchy defined by generally accepted accounting principles that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under generally accepted accounting principles are:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, assets or liabilities without restrictions;

Level 2 – Quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3 – Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (that is, inputs supported by little or no market activity).

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying statement of financial position, as well as the general classification of such instruments pursuant to the valuation hierarchy.

Cash, money market and certificates of deposit: Cash, money market and certificates of deposit with an original maturity of three months or less are valued at their face amount because of the short length of time to maturity.

U.S. government bonds, equities and corporate fixed income: Valued at the closing price reported on the active market on which the individual securities are traded.

The fair value of the contribution receivable from an irrevocable trust is estimated as the present value of expected future cash inflows.

The fair values of Catholic Charities’ assets measured on a recurring basis at June 30, 2023, are as follows:

Assets	Fair Value	Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Cash and money market	\$ 70,422	\$ -	\$ 70,422	\$ -
Mutual Funds:				
Domestic Equity	2,542,477	-	2,542,477	-
International Equity	1,201,424	-	1,201,424	-
Fixed income investments	2,256,539	-	2,256,539	-
	<u>\$ 6,070,862</u>	<u>\$ -</u>	<u>\$ 6,070,862</u>	<u>\$ -</u>

As indicated in Note 1, the investments were liquidated and transferred to the Catholic Community Foundation in the Archdiocese of Miami, Inc. (the “Foundation”). The investments have been identified as level 2 in these financial statements since Catholic Charities has a unit percentage interest in the pooled funds of the Foundation.

The Foundation has established the following asset allocation policy:

Asset Class	Allocation Range		
	Low	Target	High
Cash	0%	1%	5%
Fixed Income	35%	39%	45%
Domestic Equities	30%	40%	45%
International Equities	15%	20%	25%

As per the Foundation’s investment policy, the asset allocation of the alternative investment asset class is incorporated into the equity or fixed income asset class range as per their purpose in being added to the portfolio. At times, market conditions may cause the Foundation investment in various asset classes to vary from the established allocation. If the actual weighing is outside the asset allocation range, the Foundation will rebalance the portfolio to be within the allocation range.

The change in value of the split-interest agreement of \$0 and \$1,911 for the years ended 2023 and 2022, respectively, are attributed to the revaluation of the contribution receivable-charitable remainder trust based on applicable mortality tables and current market condition and is included in the change in net assets with donor restrictions. During the year ended June 30, 2022, the Trust was terminated and transferred to Catholic Charities’ endowment. See Note 13.

NOTE 5 – CONTRIBUTION RECEIVABLE FROM TRUST

Boystown of Florida, a program of Catholic Charities, is the beneficiary of the John A. Shubert Charitable Trust, (the “Trust”), an irrevocable trust. The irrevocable trust is administered by a trustee according to the terms of the Indenture of Trust. The terms of the agreement provides that the beneficiary receive the net income of the Trust annually through termination of the Trust. The agreement also provides that the trustee shall be reimbursed for reasonable expenses incurred in the management and protection of the Trust. Upon termination of the agreement, based on the above provisions, the beneficiary will receive the assets remaining in the Trust. The balance in the Trust at June 30, 2021 was \$774,681. During the year ended June 30, 2022, the Trust terminated and the assets, which totaled \$776,592 at the time, were transferred to Catholic Charities’ permanently restricted endowment in accordance with the terms of the Trust. See Note 13.

NOTE 6 – PROPERTY AND EQUIPMENT

The major classifications of property and equipment consist of the following:

	2023	2022
Leasehold improvements	\$ 4,984,481	\$ 5,013,209
Building and improvements	18,110,936	18,686,522
Furniture, computers and equipment	6,093,437	5,904,709
Vehicles	104,369	104,369

Property and equipment, net	<u>\$ 14,241,769</u>	<u>\$ 14,995,917</u>

A substantial portion of Catholic Charities’ buildings and improvements are located on properties owned by the Archdiocese. Therefore, Catholic Charities’ investment in such buildings and improvements may be adversely affected should the Archdiocese decide to change the use of these properties. The Archdiocese has a long-term commitment for the continuance of Catholic Charities’ activities.

A portion of Catholic Charities’ property and equipment has been acquired with grant funds. Although many grantor agencies reserve the right to request the assets be returned, Catholic Charities has capitalized the assets since it is probable that they will be allowed to keep them or most likely will use the assets until fully depreciated. See Note 11.

For the years ended June 30, 2023 and 2022, depreciation expense was \$1,366,319 and \$912,601, respectively.

NOTE 7 – NOTE PAYABLE

In April 2020, Catholic Charities received loan proceeds of \$2,456,380 from a financial institution through the Paycheck Protection Program (“PPP”). Under the terms of the PPP, the Small Business Administration (SBA) will forgive up to 100% of the proceeds received if eligibility and other criteria are met related to use of the funds. The portion of the proceeds received that is not forgiven, if any, is converted to an unsecured term note payable. Catholic Charities applied for forgiveness with the lender on July 2, 2021 and received notification from the financial institution on September 15, 2021 that forgiveness was approved for a total of \$1,194,766 (including interest). Accordingly, the amount of loan forgiveness was reported as income in the statement of activities during the year ended June 30, 2022. The unforgiven portion of the loan proceeds, totaling \$1,277,173, was paid in full in one installment of principal and interest of \$18,377 on September 22, 2021. The entire balance remaining was paid during the fiscal year ended June 30, 2022.

NOTE 8 – FISCAL AGENT RELATIONSHIP

Catholic Charities serves as the fiscal agent for Catholic Charities of Florida (“CCF”) to accept and administer grant funds to other organizations as specified by CCF. The amounts undisbursed and held for others are recorded as an asset and liability on the statement of financial position. There were no amounts held as of June 30, 2023 and 2022, respectively.

NOTE 9 – RELATED PARTIES

Archdiocese of Miami – Catholic Charities receives its charter and by-laws via the Archbishop and the Archdiocese of Miami. Catholic Charities and the Archdiocese have some mutual board members, including certain managers of the Archbishop that also serve on the board. Catholic Charities participates in certain benefit plans of the Archdiocese. See Note 10. In addition, during the years ended June 30, 2023 and 2022, Catholic Charities received donated rental facilities from the Archdiocese of Miami of \$3,684,669 and \$2,922,487, respectively. See Note 14.

Catholic Charities is a designated beneficiary of the distributable income of an endowment from the Archdiocese of Miami Millennium Appeal, Inc. d/b/a Vision 2000. These funds are held in trust at the Catholic Community Foundation in the Archdiocese of Miami, Inc. The fair value of the funds at June 30, 2023 and 2022, was \$8,189,763 and \$7,852,853, respectively. Catholic Charities is scheduled to receive 5% of the rolling 3-year average of the fair market value of the funds on an annual basis. For the years ended June 30, 2023 and 2022, Catholic Charities received \$426,053 and \$431,367, respectively from the fund. These amounts received have been included as contributions in the Statement of Activities.

During the year ended June 30, 2019, Catholic Charities received a donor restricted grant award of \$5,000,000 to support family homelessness, referred to as the “Day 1 Families Fund”. The portion of the award that had not been spent or released from restriction as of June 30, 2022 totaled \$741,618, of which \$625,000 was held at the Archdiocese of Miami. The balance was fully spent and released from restriction during the year ended June 30, 2023. See Note 12.

NOTE 10 – EMPLOYEE BENEFIT PLANS

Catholic Charities participates in the health and welfare plan and the retirement plan (the “Plan”) sponsored by the Archdiocese. Employees must meet certain eligibility requirements to participate in the plans. Since the computed value of vested benefits and plan assets for employees of Catholic Charities cannot be segregated from those of other entities participating in the Plan, it is not possible to determine that portion of the excess or deficit, if any, which may be attributable to Catholic Charities.

Payments to the Plan and the health and welfare plan for the years ended June 30, 2023 and 2022, were as follows:

	2023	2022
Retirement plan	\$ 791,640	\$ 798,780
Health and welfare plan and other	\$ 1,052,901	\$ 1,110,711

NOTE 11 – COMMITMENTS AND CONTINGENCIES

Catholic Charities determines if an arrangement is a lease at inception and when the terms of an existing contract are changed. All leases are recorded on the balance sheet except for leases with an initial term less than 12 months for which Catholic Charities made the short-term lease election.

Lease right-of-use (ROU) assets and lease liabilities are recognized at the lease commencement date based on the present value of the lease payments over the lease term discounted using the rate implicit on the lease (if available) or Catholic Charities' average incremental borrowing rate. Operating lease ROU assets are presented separately on the balance sheet. Operating lease cost is recognized on a straight-line basis over the lease term and is included within operating expenses in the statement of activities and changes in net assets.

Short Term Operating Leases

Catholic Charities conducts certain operations in leased facilities or uses equipment under operating leases expiring at various times with varying renewal options. Catholic Charities entered into a lease agreement for a facility on a month to month basis. Usage fee and security increase annually on October 1 of each year by 3%.

Additionally, Catholic Charities entered into a separate lease agreement for a facility in October 2022. The lease term is for one year with payments of \$8,372 per month.

Long Term Operating Leases

In February 2023 Catholic Charities entered into another lease for the use of a vehicle. The lease term is for three years with payments of \$1,043 per month.

The following table shows the right-of-use assets and lease liabilities as of June 30, 2023:

Support from Outside Agencies (Continued)

No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined. However, management is of the opinion that no material liability will result from such audits.

Construction

Catholic Charities is expanding two of their Early Head Start centers, as approved and funded by the federal Early Head Start program. Construction in progress totaling \$1,154,626 and \$1,154,626 has been capitalized for this project as of June 30, 2023 and 2022, respectively.

In addition, Catholic Charities previously entered into a construction contract in Key West, FL for the construction of 37 new units of affordable workforce housing and the renovation of 10 existing affordable housing units. The construction of the 37 units of affordable workforce housing was completed during the year ended June 30, 2022. A total of \$8,864,932 was transferred from construction in progress to buildings and was depreciated.

Construction in progress totaling \$360,399 and \$12,219 has been capitalized for this project as of June 30, 2023 and 2022, respectively. The Early Head Start projects and the renovation of the 10 existing affordable housing units for the Key West project are expected to be completed by the year ended June 20, 2025.

NOTE 13 – ENDOWMENT

Catholic Charities' endowment consists of individual funds established for a variety of purposes. Its endowment includes donor-restricted endowment funds to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretations of Relevant Law

The Board has interpreted the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

CATHOLIC CHARITIES OF THE ARCHDIOCESE OF MIAMI, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2023 AND 2022

NOTE 13 – ENDOWMENT (Continued)

Interpretations of Relevant Law (Continued)

As a result of this interpretation, Catholic Charities classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not the value of the original gifts to the permanent endowment is classified as net assets with donor restrictions maintained as such for appropriation for expenditure by Catholic Charities in a manner consistent with the standard of prudence prescribed by FUPMIFA and donors' restrictions on use.

In accordance with FUPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund.
2. The purposes of the Foundation and the donor-restricted endowment fund.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the organization.
7. The investment policies of the organization.

Endowment net assets at June 30, 2023, consisted of the following:

	June 30, 2023		
	With donor restrictions		
	Accumulated Earnings and Other	Gifts Restricted in Perpetuity	Total

Return Objectives and Parameters

Catholic Charities has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain purchasing power of the endowment assets. Under this policy, the endowment assets are invested in a manner that is intended to produce certain returns while assuming a moderate level of investment risk. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate of return objectives, Catholic Charities relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Catholic Charities targets a diversified asset allocation that includes equity investments, fixed income, U.S. government and corporate bonds, certificates of deposits and cash using prudent risk constraints.

NOTE 13 – ENDOWMENT (Continued)

Spending Policy and How the Investment Objectives Relate to Spending Policy

Catholic Charities has a policy of appropriating for distribution each year an amount based on the income of the investment. In establishing this policy, Catholic Charities considered the long-term expected return on its endowment. Accordingly, over the long term, the organization expects the current spending policy to allow its endowment to grow at an annual rate equal to or greater than the consumer price index. This is consistent with the organization’s objective to maintain purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or FUPMIFA requires Catholic Charities to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature are reported in net assets with donor restrictions. There were no such deficiencies as of June 30, 2023.

NOTE 14 – CONTRIBUTED NON-FINANCIAL ASSETS

For the years ended June 30, 2023 and 2022, contributed nonfinancial assets recognized within the statement of activities included:

	2023	2022
Facility use	\$ 3,684,669	\$ 2,922,487
Services	2,208,474	1,164,804
	<u>\$ 5,893,143</u>	<u>\$ 4,087,291</u>

Facility use

Catholic Charities receives the use of donated facilities for its program operations and supporting services (see Note 9) and recognizes contributed facilities revenue and a corresponding expense in an amount approximating the estimated fair value at the time of the donation. Fair value is estimated using the average price per square foot of rental listings in the service area. Amounts recognized are allocated among program and supporting services based upon the square footage occupied.

Services

The Organization receives in-kind contributions of time and pro bono services from members of the community and volunteers related to program operations, special events, and fund-raising campaigns. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. The Organization recognizes in-kind contribution revenue and a corresponding expense in an amount approximating the estimated fair value at the time of the donation.

NOTES TO THE SCHEDULE OF STATE EARNINGS, COST CENTER ACTUAL EXPENSES AND
REVENUES AND SCHEDULES OF EXPENDITURES OF FEDERAL AWARDS AND STATE
FINANCIAL ASSISTANCE
JUNE 30, 2023

NOTE A – BASIS OF PRESENTATION

The accompanying Schedules of Expenditures of Federal Awards and State Financial Assistance (the “Schedules”) presents the activity of all federal awards and state projects of Catholic Charities of the Archdiocese of Miami, Inc. for the year ended June 30, 2023.

The information in the Schedules are presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650, *Rules of the Auditor General of the State of Florida*. Because the Schedules present only a selected portion of the operation of the organization, they are not intended to and do not present the financial position, changes in net assets, or cash flows of the organization.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- (1) Expenditures reported on the Schedules are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
- (2) Catholic Charities has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

In addition, the Schedules of State Earnings, Cost Center Actual Expenses and Revenues were prepared in accordance with the requirements in the State of Florida Department of Children and Families Contract ME-225-12-06 for Substance Abuse and Mental Health Services.

NOTE C – CONTINGENCY

Financial awards and assistance from federal and state governmental entities in the form of grants and contracts are subject to special audit and adjustments. If expenditures are disallowed by the grantor/contract agencies as a result of such audit, any claim for reimbursement to the grantor/contract agencies would become a liability to Catholic Charities. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined. However, management is of the opinion that no material liability will result from such audits.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL
CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of
Catholic Charities of the Archdiocese of Miami, Inc.
Wilton Manors, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Catholic Charities of the Archdiocese of Miami, Inc. ("Catholic Charities"), a nonprofit organization, which comprise the statement of financial position as of and for the year ended June 30, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 13, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Catholic Charities' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities' internal control. Accordingly, we do not express an opinion on the effectiveness of the Catholic Charities' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Catholic Charities' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT
AND ON INTERNAL CONTROL OVER COMPLIANCE BY UNIFORM
GUIDANCE AND CHAPTER 10.650, *RULES OF THE AUDITOR GENERAL*

To the Board of Directors of
Catholic Charities of the Archdiocese of Miami, Inc.
Wilton Manors, Florida

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited Catholic Charities of the Archdiocese of Miami, Inc.'s ("Catholic Charities"), compliance with the types of compliance requirements described in the U.S. Office of Management and Budget *OMB Circular Compliance Supplement*, and the requirements described in the *Department of Financial Services' State Projects Compliance Supplement*, that could have a direct and material effect on each of Catholic Charities' major federal programs and state projects for the year ended June 30, 2023. Catholic Charities' major federal programs and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Catholic Charities complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650 Rules of the Auditor General of the State of Florida. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Catholic Charities and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Catholic Charities' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Catholic Charities' federal programs and state projects.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Catholic Charities' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.650, Rules of the Auditor General will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Catholic Charities' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Catholic Charities' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Catholic Charities' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program and state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.
